Instructor Comments

Describe the one best thing about the recitation section or the instructor that was effective in helping you learn. If you could suggest one thing to improve the section, what would it be?

- The instructor teaches points pretty clear.
- More exam practices
- none
- Explanations were always very thorough and done very well. He was always open to answering questions and helping us to the best of his ability, however sometimes I felt as if he went through concepts a bit too fast
- Would have liked more personal feedback when asking for explanations of missed questions. Otherwise, very willing to help.
- Very good at explaining. One of the best TA's I've had so far.
- Giovanni was an amazing TA. He taught in a very clear and detailed matter which coalesced perfectly with the Professor's lectures. Giovanni was responsive to emails, willing to extend his office hours, and very helpful in general as long as I put in effort to go to recitation/office hours. He honestly taught better than a lot of Professors do and was very knowledgeable on the subject.
- The instructor is full of passion which positively influences the class environment and makes it much more inspiring.
- Good TA. Choose him. He complements our professor.
- The recitations became more interactive as the semester progressed and I feel like that interaction really helped me learn the concepts better. I think the section could have been improved by having a bigger room for office hours because more and more people started coming to office hours and it became harder to learn.
- The instructor is very patient and is open to students' questions.
- none
- He was always patient and did his best to make sure that the students understood the material, and very helpful at office hours too.
- I really really like Giovanni because he is very good at giving us examples , showing us ways to tackle problems step by step without simply telling us the answers!!!
- Better timing for the recitation. I had several interviews that collide in schedule with the recitations and I unfortunately need a job.
